Subject: RE: Re: Public records act request

Hi Madison,

Thank you for the quick response. There were two other companies I meant to include on my request, so I would like to submit a follow up for the exact same request but for these companies:

- PillPack/Amazon PillPack (or any variations)
- Capsule/Capsule Pharmacy/ Capsule Rx (or any variation)

I am requesting a copy of all consumer complaints submitted to the Attorney General's office from January 1, 2016 to the date this request is filled, concerning these companies.

Please let me know if you need any additional information.

Thank you,
Adiel
